“ Growing up with Diane was always an adventure. We were outnumbered by the boys in the neighborhood, so we had to join in playing touch football, softball, climbing trees, riding bikes etc. We were tomgirls. Had no choice Remember the picnics at Shawee State Park and Keystone. Always fun. Dressing up for Easter in our new outfits (hats, gloves, new dress). Singing in the Jr. choir at the old Crossroads Presyb. Church.

Playing cards, roller skating, going to dances, marching with the Drum and Bugle Marching Band (we both played the drums-not good- but they never got rid of us. We grew up at a wonderful time.

My brother Ed still had a piece of lead in his arm where Diane poked him with a pencil. He did deserve it however. Lots of good memories.

Rest in Peace my friend
