“ Jeannie was a much beloved member of the McFarland family. I and my children, Ryan and Amanda McFarland have count beautiful, loving and many times funny memories. I married in to this beautiful family and always admired Jeannie for very straightforward ways. I always knew that she loved me and was in my corner. Jeannie, you will be greatly missed. I Love You

*I don't know how I missed this site but I want to tell everyone about my relationship with my sister Jeannie. Needless to say she was a beautiful woman inside and out. She was almost 3 years older than me so we really became good friends after we were adults. Our children were born around 3-6 months apart and on January 9th 1971 we both had babies hours apart!! Kurt was born to Jeannie and Jamie was born to me! So our children called them the :Twin Cousins:. Through the years we vacationed together and always had so much fun and made many wonderful memories. Jeannie and Bob were golfers and Jim and I weren't. No problem, they golfed and we drove around seeing the sites. Jeannie was a great cook, like our Mother, and I was her sous chef. I could go on and on about my sister and still wouldn't do her justice so I will just finish by saying she was my best friend and I miss her everyday. We used to talk on the phone every night, some time for a few minutes or and hour!! She left us too soon and she is forever in my heart, Rest in Peace*

“ *I'm so sorry for your loss. She was a great lady and a "Carol Brady" from the perspective of the girl that lived across the street.*
