

Herman "Hans" Colenbrander

December 8, 2020

Herman G. C. (Hans) Colenbrander, born September 6, 1937 in the eastern part of the Netherlands on the border of Germany, died peacefully on December 8, 2020 at the age of 83. Educated in the Netherlands, he graduated from the Technical University of Delft in June of 1966. That year he married his fiancé, Christel and a month later they immigrated to the United States. Hans worked his entire profession for the Westinghouse Atomic Power Division first in Forest Hills and later in Monroeville. He retired in 1991 after a successful career of 25 years. He was an avid runner and cyclist, which he enjoyed for many years with his son Mark and later in his retirement. His other hobby was his Porsche that he kept for over 40 years. He enjoyed driving it, "playing with it" and the friendships of the members in the Allegheny Chapter of the Porsche Club of America. He is survived by two children: Christien Colenbrander Bass (Jay) and Mark Colenbrander (Carolyn), four grandchildren: Hannah Bass, Harrison Bass, William (Will) Colenbrander, and Margaret (Maggie) Colenbrander; and sister Christl Frey Colenbrander (Peter) of Winterthur, Switzerland. Preceding him in death are his wife, Christel Colenbrander and parents, Jan & Hanna Colenbrander, in Dinxperlo, the Netherlands. The family would like to thank the staff of Arden Courts, Monroeville, for their dedication and kind care. Due to the coronavirus pandemic, memorial services will be for immediate family only. Arrangements entrusted to the GENE H. CORL FUNERAL CHAPEL INC. AND CREMATION SERVICES OF MONROEVILLE. “ Hans was one of my first colleagues and mentors when I began my engineering career at Westinghouse. I quickly became familiar with his technical expertise and his determined (dare I say stubborn) Dutch nature. I also soon learned Hans’s opinion of Detroit “iron,” preferring makes like BMW and Porsche instead. Hans was a charter member of the “Run at Lunch Bunch,” which I eventually joined. I soon learned that keeping up with Hans running the foothills of Monroeville was an imposing challenge. I did have the pleasure of once meeting Christel, who impressed me as being ideally suited as Hans’s life partner. I extend my condolences to Hans’s children and grandchildren. Hans, may you Rest In Peace.

“ Mark and Christine, I am so sorry to hear about your dad's passing. I was glad to know him and your mom when we lived on Dickson Ave. The Cieslaks have your entire family in our thoughts during this difficult time.

“ Hans was my very first friend when I arrived in Pittsburgh in the mid 70's to start working at Westinghouse. He was the one, driven by logical curiosity, who stopped by my rental house on Haymaker Rd in Monroeville with my 2nd hand Porsche 911 just acquired parked in the driveway to find out if he could make me enthusiastic in joining the local chapter of Porsche nuts! From that moment on we shared fantastic experiences and he gave me many an opportunity to really learn so many mechanics tricks from a real ace! With Hans' lovely lady Christel we once embarked on a cross country trip to San Diego to attend the annual Porsche Parade. Driving in a caravan of Porsches and always on the look-out for "smokeys" ready to trigger the speed gun, we thoroughly enjoyed each other's company and great camaraderie. Many hours I relished spending with Hans in his garage always eager to learn from him. His hand-built collection of miniature race cars was quite something and I never stopped admiring the precision, passion and patience with which Hans built and painted his miniature cars. Had I been a bit more sportive I surely would also have enjoyed sharing his passion for cycling! Hans got me hooked though on wonderful Pittsburgh brewed beer. In Hans and also in Christel I will miss dear friends with whom I shared so many wonderful memories. In this trying time I wish Christien and family and Markus and family all the strength to bear the loss of their father and grandfather.
