

Rhea Perreault

January 28, 2021

Rhea Perreault, 95 passed into eternal life on January 28, 2021 while surrounded by her family. Rhea was born in Cambridge, Mass on March 29, 1925. She was born to Paul and Ella Briand.

Rhea worked for the State of Massachusetts, but her passion was travel, having the ability to travel to every corner of the world in all of her free time. She was a social butterfly, often found having ladies' lunches around town and being an active part of women's groups of her church. The church was one of the most important parts of Rhea's life, she had often said if she hadn't married, she would have loved to become a nun. In 1981 she met and married Dominique Perreault. During their 39 years of marriage, they traveled the world together, actively participated in their church, Our Lady of the Miraculous Medal Parish. But the most important piece was always family for them, often found traveling to Pennsylvania to spend time with their stepdaughter and grandchildren. Dom passed into eternal life in 2014, but their love was one that never died. Rhea was revered and highly regarded by Rhea's three brothers, nieces, nephews, and 26 great grand nieces and nephews. She will be missed by all.

Her spirit is carried on by her step-daughter, Christine, granddaughters, Kelly and Cherilyn, her beloved great granddaughter, Della and countless nieces and nephews. She sleeps with angels beside her mother and father, her brothers, Lester, Richard and Paul. She will be welcomed into heaven by the open arms of so many people who have known and loved her for many years.

After cremation a private interment will be in the NH State Veterans Cemetery, Boscawen. A private celebration of life will be held in Hampton NH. In lieu of flowers, donations may be made to St. Vincent de Paul Society, 289 Lafayette Road, Hampton, NH 03842.

“ Rhea - how I cherished our time through the years during my many visits to NH. You always treated me as one of your own. I miss your style, your grace, your thoughtfulness, your advice, and always reminding me that we are all on God's path. Fondly,
Tj

“ Every day of my childhood you stood beside me and guided me along the right paths and in the end I held your hand and walked beside you, never leaving your side. I'm going to miss you so much, I don't even know what life is like without you in it.

“ Aunt Rhea, I am so sad that we've lost you and I'm so sorry to not have had a chance to say good bye and to tell you one more time how much I love you! You were always so much fun to be around. I will remember your laugh always. Thank you so much for loving us like your own children. May you be surrounded in heaven by all those you love and have lost. You will be in my heart always.
Your loving niece, Margaret

“ Rhea had a profound love of her family and her faith. When she couldn't be with us, she wanted to be surrounded by pictures of us and remember the stories they told. She was a great story teller of our family history. I loved her so much and will miss her immensely. May she now find peace.

“ A bright smile, a robust laugh, and a general bon vivant. That's what I'll hold of Rhea. She was adventurous -- skier, traveler. What an example: Live a life you love.

“ Rhea you were such a big influence on all the Briand girls, with your style, grace, independence, love of life and travel. You taught us all how to be strong and forage forward with a career and family. From your job in Boston and tending the fires in your family home, to running the Motel in Hampton with your new husband Dom. You were the best Aunt ever, from your ski visits to Colorado to our beach time at Good Harbor in Lester's Cadillac and everything in between and since. I will forever love and remember you, Have some blessed fun in Heaven. your niece Kate Briand
