“ *I'm so grateful for Al's trustworthy presence in my home and life. He did a tremendous amount of work in my old house with so much skill and effort. After all the jobs here, Al was more than my old house's great plumber. He was a friend in my heart. He was interesting and kind, explained things to me, was fair and I will miss him very much. I'm grateful for knowing Al. Condolences to his family and close friends. Rest in Peace Al. Heidi*

“ They didn't have it easy from a young age, I take comfort knowing Uncle Albert is back with his sister and can be at peace. My funniest memory is when I got caught underage drinking and my mom made me go to an AA meeting with Uncle Albert. 2nd maybe to when Bobby and my mom had the standoff about eating ham.
