“ *I am saddened by the news of Alec's passing, but I hold dear the joy that I had teaching him when he was four years old at MUM Preschool. I remember the quiet but kind, respectful, and gentle little man he was toward me and his classmates. He always seemed to love learning and that made my job easier. For awhile I was able to keep up with his life's journey through his grandmother, but sometimes our lives get so busy that we lose touch with one another. I can assure you that I have never forgotten Alec because knowing him for just a short time touched my life. I thank GOD for that.*

*Your family certainly has suffered a great loss and no words can take the hurt away, but try to find comfort in your memories and in the memories of others that knew Alec.*

*He will always live in our hearts. My love and prayers go out to the entire family.*

*With Deepest Sympathy*

“ *Mr. and Mrs. Schake: On behalf of my students (Alec's classmates) and myself please accept our deepest sympathy for your loss. Alec was a delight to have in class. He was bright, curious, thoughtful, and definitely insightful. He seemed to enjoy learning and I certainly enjoyed having him in two classes. I hope you find comfort in impact he had on so many people in so few years.*
