“ *In my heart, Jean represents all that is good about America. Jean, you have been the most loving, caring, welcoming, and generous friend I have ever had, and I thank you from the bottom of my heart. I don't know what I would have done without your help, when I lived alone in a big house, with three little kids and my dog (he loved you too). For us, you were family, dear Jeanie♥. I have so many memories with you, we shared so many laughs and hugs and long talks...We were always doing something, going somewhere...remember the good times my dear friend? My heart now breaks at the thought that I will not see you or talk to you again, but I am sure that you are at peace now, protecting us with your sweet smile and all your affection. We were blessed to have you in our lives, my dear friend, me, and the kids will love you and remember you forever and ever. We now hug our Rick from Italy...stay strong, Rick. Your Jean loved you very much and she will always be with you♥ I will call you soon, love, Francesca*

So very sorry to learn of Jean's passing. I only heard about it in church yesterday. Jean was always such fun. We enjoyed needling each other each time we met, particularly at church. :) Now we'll have to get together in heaven.

God bless you, Richard. We're praying for you.
