“ On behalf of the Society of Air Force Nurses, please know we are mourning with you the death of our sister nurse, LtCol Anne Louise Burkhardt, Retired. It takes a patriot, willing to give of themselves to other human beings in their time of need, to step forth and join the ranks of our U. S. Air Force Nurse Corps. Your beloved one will be mourned and missed by many who served alongside her. We will include her name in our Memorial Program of the Society of Air Force Nurses in commemoration of her life and service to our nation.
