A wonderful aunt who was there for you at all the important events in your life making you feel so positive about yourself and always made me smile and laugh. “ I have so many wonderful memories of my Aunt Audrey growing up and as an adult. We shared many holidays with our cousins, at their house. Going to the basement to play and sometimes getting our cousins in trouble. I Remember Grammy our great grandmother there, she opened her door to her to stay with them. I remember when I told Aunt Audrey I was getting married, she helped me get the fire hall near their home in Garden Court. Helped me set up all the plans, hair appointments, even opened up her house so we could all get dressed for our big day. She was always there to listen and help in any way.
She was there big time for her sister always, my mother.
Helping her with Frank and more.
I always enjoyed visiting her where ever she was, she made me laugh and smile. She truly was a wonderful aunt to me and more.
I love her and I know she will truly be missed !
