“ Judy - Our thoughts and prayers are with you and Tina. Even though we never met your father ... we felt like we knew him from Gene and you. He was blessed into heaven and sits up there watching over you. Please let me know if there is anything we can do. Linda and Gwen

“ Tina & Judy — Our thoughts and prayers are with you. A sweet memory of Uncle C was when we visited the Hershey, Penn factory. After the tour we were so ravenous for candy that we each ate our weight in chocolate. And, speaking of chocolate, I still have fond memories of Aunt Ruth's fudge!!Again, so sorry for your loss, Tress and family

“ Well I'm not sure how your parents put up with us sp long on Eden Drive...but your dad was always gentle with us. For some reason we always respected him, he was never a target for the silly things that we as juveniles would do. He was a good neighbor, we will miss him! Our thoughts go out to the Tina and Judy and the rest of the family. God Bless

“ Tina and Judy I am so sorry for your loss. I know how much you love your dad. Even though I never met your father I felt like I knew him through Tina. Listening to you talk about your father always brought sweet memories of my own to me. Now you will have both him and Sweet Pea watching over you. Please let me know if there is anything I can do. You are both in my thoughts and in my prayers.

“ Tina and Judy, The Slidell Feredays offer our sincere sympathy on the loss of your father. I always smile when I think of when we were growing up and Jimmy, Johnny and myself always thought we were such fast runners. That thought changed when we challenged Uncle C. to a race and he beat us by a country mile. Again, very sorry for your loss

“ Tina & Judy, My condolences on the passing of uncle chod. I know he made a positive impact to many others like he did on me and my siblings in our youth. Also his first hand accounts of his miraculous Korean war survival events qualifies him as a true war American war hero.
