“ So very sorry to hear this news. I had the pleasure of working with and knowing Chuck from being in the insurance industry. He always had a smile and seemed to enjoy every moment of life. He was especially proud of his role as poppa for the grandchildren.

*I will always remember our times together and our discussions about the family and how he was doing. We always had great conversations. He will be definitely be missed by those people who had the privilege of knowing him.*

*On behalf of myself and our family, please accept our sincere condolences for you and your entire family. We will be praying for your entire family during this very difficult time.*

*God Bless you and your entire family.*

*Sincerely,*

“ Dear Christine and Family--I am so heartbroken to hear this news. Chuck was a wonderful guy, always a smile on his face. You are all in my thoughts and prayers; I'm so sorry you are going through this. He was way too young...I am upset that we will be out of town this weekend, so sad to be missing the viewing. I will be thinking of you all and sending my love.

*I hope to talk with you soon, Christine.*

*Love,*

*Chris and Carmen*
