“ I just wanted to send my profound condolences to Christina’s family and loved ones. I did not know her but read her story over a week ago and you all have stayed in my thoughts as well as my prayers. She was clearly a wonderful soul. I will continue praying for your comfort and peace. My father was tragically killed when I was 5, leaving my mother widowed with 4 kids. We had many people including strangers who showered us with love and prayers. I hope the outpouring of love and support helps you too. May God bless you and may Christina’s memory be eternal. In Jesus’ name I pray. From a wife and mother (also named Christina) in Monrovia, MD.

“ I remember the first time I met Christi at youth group in middle school. We were such goofballs together sitting in the back row during the service. She always had the brightest smile and a mischievous twinkle in her eye. Our friendship and adventures lasted through high school and into our 20's before drifting apart. It's sad that life pulls you in different directions. I wish we would've stayed in touch. Her loss is tremendous as a bright light has gone out from this world. All of my prayers go out to her children and Brandon, God grant them strength, and to Cindy & Joe and her brothers and Chantelle. My heart goes out to you and I pray for comfort and healing.

“ I only talked to her in passing over the years, but it was very clear what a sweet and kind person she was. It was very clear what a loving and wonderful mother she was too.
My deepest condolences to her children, husband Brandon, and all of her family.

“ Deepest condolences to Joseph, Cindy, Brandon and your four beautiful children/grandchildren. Although I didn't know Christine personally, this horrible tragedy has impacted all of us in the Pittsburgh area as we fear for our safety. Change does need to happen and we need to stand up as a community in Christine's memory. Shame on Uber for the media comments they will "shut down" the accounts of anyone involved in her tragedy. And even more shame from the email written by their CEO on 6/4/20. God Bless and you will remain in my prayers - a Mom of two

“ My heart goes out to Christi's beloved children. And Brandon. Christi is with Jesus, forevermore. She is safe, now, and was called home so young in her journey of precious life for whatever unfathomable reason, we will never comprehend.

I did not know Christi, or hers. I am an Uber driver, and of course therefore I am drawn to this ultimate tragedy this sweet broken family must endure.

Uber/Lyft driver's let's stand ready in any way to help keep this broken but blessed family, endure this their profound physical loss.

My sincere hope is Uber/Lyft drivers help this family left behind. We drivers know, the 'oh so often cruel passengers' of this type, prey. We also know it must stop and can be stopped. God works in mysterious ways. We will never understand, but we can help her beloved family.

May God help you Bandon, and Christi's adorable, sweet children through this and manifest his love, and blessings as you each continue the rest of your walks in life.

“ Sincere sympathies to your whole family... My heart goes out to her children, for whom she thought of first, for whom she worked to support... God bless you little ones - live on and make your mom proud. What an EVIL, worthless soul that took her life. We have to believe that God knows best, trust in Him, hold on to Him and you will make it through.

“ I am a stranger to all of you but after hearing about this senseless tragedy on the news, I wanted to say I am so sorry to hear about your beloved beautiful Christina passing away and express my sympathy and send my condolences to all of Christina's Family and Friends. Please know that my heart, thoughts and prayers go out to all of you. I hope and pray for each and every one of you to feel and sense the Lord's comforting and healing love that only He can provide each day during this most difficult time. “ I have great memories of youth group, church retreats and teenaged car rides with Christi, and highschool dances and car rides with her fiancée, Brandon. You both created many memories that still make me laugh today.

I cannot begin to express my sympathies to the Marto and Spicuzzi families. God bless you, Cindy and Joe.

“ To Christina's Family, I am so sorry for your loss. She was taken way too soon. My heart breaks 💔😭 for you, her fiance and children. Christina was just doing her job to provide for her family, A senseless coward took her away. You are in my prayers 🙏 I can't imagine the pain of burying a child.

“ I am also a part-time rideshare driver, and feel this pain for your family so deeply. I am so very very sorry for your immense loss. I pray that Uber is held accountable in every way for allowing a dangerous criminal to be given a ride by Christina, costing her the ultimate sacrifice. Prayers for the children, the parents and siblings, the fiancé, the friends, the loved ones, the neighbors; everyone whose life was touched by this dear soul. I pray for Gods' comfort and peace throughout this traumatic time.

“ I didn't know Christina personally, but I have been hearing of her passing on the news. Such a senseless act. I've been praying for her entire family since I first heard of her passing. I prayed for justice for Christina that her killer would be arrested. The Lord answered my prayer. I will now pray that this person will never see freedom again. Take comfort in knowing that Christina is in a better, most beautiful place with our Lord and Savior.
