“ Dear Mr. and Mrs. Lennox and Tommy,

I was deeply saddened to hear of the unexpected passing of Crystal. Although I haven't seen her in years, I was blessed to know her through Monroeville Christian Church, Norwin Christian Church and Gateway High School. She was a beautiful, kind lady and it was evident she was raised well. I remember coming over to your home as a kid where Mrs. Lennox "spoiled us" and we always had a great time. I am so sorry for your loss and am praying for you.

Love, Megan McCormick

“ I had the privilege of spending summers every week day with Crystal (and her brother, Tommy) when they were grade school age. Our youngest daughters, Carly and Sara, had so much fun with them since they were the same age and had the same interests. I remember Crystal and Tommy coming to our birthday parties, going swimming with our kids, attending Vacation Bible School, doing crafts at the park, picking berries and so much more I can't even remember all of them but I have lots of photos of the kids that will help with my memory. So many good ones!!!! My thoughts are now focused on Darla, Tom, and Tommy and I pray for them at this very sad time for God to give them the peace that passes all understanding and the strength to get them through this tragic time! Tom and I love you all so much! We know that Jesus loves you and can help you more than we can, but we will always be here for you!
Love in Jesus,

“ To Crystal's Family - My deepest sympathies for your unimaginable loss. Crystal and I became friends at Buchanan where we worked together. As a co-worker, she was a "can-do-gal." She was a delight to work with and so much fun. May you find comfort in your memories and the knowledge that Crystal was loved by so many.

“ *Crystal. My work bestie. The girl who got my sarcasm and matched it with her own. I'll forever remember all the times we had together, especially my first day at BIR when we discovered you were actually at my wedding. I'll miss our virtual drinks and I'll never be able to visit a new brewery without thinking of all the places we visited. Those random gallivants were always so much fun. We were meant to be friends and I never thought anything could separate us. I miss you so much and I know my mom is taking care of you in heaven. As we always said, "Peace out, homey".*

We never had the privilege to meet your beautiful daughter Crystal. However if she was anything like both of you, I know she must have had a beautiful spirit. Our heart aches for your loss and we know your love for the Lord is what sustains you. God bless you.
