“ *Dale was a wonderful man, a good father and treated Dina with much kindness. He was always cheerful when he would see you. I know he is with his Lord right now and with his daughter that they lost at birth.*

“ Dale....what a handsome photo of you. So sorry we had to lose you so soon. However, as I look back through the years, we spent a lot of time together.....you and Dina, and Woody and me...in Alabama as well as Pittsburgh. Our Christmas Eve parties were especially delightful. Our move to Arizona in 2001 was painful for us, but we have stayed in touch always. You are with Jesus now, and we will miss you. Look for Woody and tell him how much we miss him. Dina and I will, of course, remain very close friends and will probably spend a lot of time talking about you and Woody and our children and grandchildren. It has been wonderful having you and Dina as friends. God bless you.

Goodbye for now dear friend. Pat Clark
