“ *I knew Dan through the M.A.S.S. RC club. Dan was always there with help for new RC pilots and was always good for a homemade dessert at our cookouts. My thoughts and prayers go out to his family and friends. He will be missed.*

“ *Although I know my dear friend, Danny, is home with the Lord, it's still difficult to accept he's gone. He was kind and generous and never spoke a harsh word about anyone. I had the privilege of working with him at Westinghouse. I have lots of happy memories of Danny. It was a privilege to call him friend....I will miss you Danny. Judy, Luke & Beth you have my deepest, heartfelt sympathy.*

“ Dan was a childhood neighbor...we were all always outside playing in their yard. Gemma is a very dear friend... so many wonderful memories growing up. My deepest sympathy to Dan's family. Sending prayers of strength in this most difficult and sad time.

“ My Brother Dan had a true passion for Life and in many types of activities. Although strong as a Bull since his teenage years, he had a humble and humorous spirit. He was solid in his image as a child of God and loved his Family infinitely. Everyone enjoyed spending time with him. WE did many things together over the years and although he is sorely missed we all know he is with Jesus and is probably flying somewhere in Heaven right now.....

*Respect and appreciation for what he has done and the younger brother I loved to be with. I miss you seriously right now but know you are with Family that went on ahead of you.....*

*Our prayers are for Judy, Luke, and Beth and all the family during these trying times....*
