“ This is a beautiful tribute to our beloved Aunt Donna. To know her was to love her dearly and to feel that same love back from her. She was warm, caring, kind, and always so complimentary. Her humor and the stories she shared are something that will always stay with me! Her laugh was infectious! Rest easy, Aunt Donna. You are now pain free and reunited with so many loved ones.

I'm so so sorry for your loss. I believe she is at peace now and with her Buzzy. She was a great cook and great mom. Love Jlo
