“ *Eddie, I have great memories of you that I will always cherish, the summers we spent on daddy's farm in Richlands, N.C. We had to get up at 4:00 in the morning to help daddy with his tobacco. You were always happy, even though the rest of us were grouchy, you never complained, you just sang the songs of the Righteous Brothers, I've got that Loving Feeling, wearing daddy's old felt hat to keep the sand from your head and eyes and always smiling. When you were older, you and my husband Gene fished in the Carolinas when you came down to visit, my Brother Bud always had fish fries at his house with those fish all of you caught. I know you three are all up on that great River of Life still catching the big ones. you will stay in my heart forever, your friend and aunt, Ellen Dail Caldwell. love lives forever in my heart.*
