“ Toni & Mike, my heart is full of sadness for you and your family. Ed was always so kind to me and was such a gentleman. If there's any way I can help, please let me know. You are in my prayers.

“ My heart is heavy. My mind is confused. His loss leaves a void. I question...WHY?

There are no words that can comfort Toni and Mike with this loss. I offer my heartfelt sympathies in your loss of Ed. I am blessed to have known him and shared a friendship with this kind, considerate, and humble gentleman.

May God Bless this grieving family having endured the loss of Doug and his loving father.

I was so sad to hear this today - My husband and I worked with Ed at AT&T. I recently ran into Ed at the medical building in Monroeville. First time I seen him since we retired. He didn't change a bit. He was a classy, quiet gentleman. My deepest sympathy to your family.
