“ *Uncle Bussy, Marsha, Neal, Lee and families: I was so sorry to hear about Aunt Sue's passing and I wanted to send along my condolences. Many great memories I have from years past of visiting during holidays and having some of the great meals that Aunt Sue prepared. I also remember the Crummy Rummy card game and in fact we just had a couple of rounds of that game last week when my immediate family all got together at our place in the Outer Banks during Thanksgiving. Again ... I send along my prayers and condolences to everyone.*
