“ Frank was my Godfather and cousin. He and Shirley were a wonderful example of loving caring parents to their three children. When I was a child, I always looked forward to receiving a birthday card from my thoughtful Godfather. My deepest sympathy to his family.

“ Aunt Shirley, Jeff, Jodi, Jill, Marc and Gina,

You have my deepest sympathies on the passing of your husband, Dad and Pap.

It was always good seeing Uncle Frank - he was always good for laughs and I'd leave his company feeling happy.

He'd fuss over you but he didn't want you to fuss over him.

He'd draw the attention away from him with a joke or something funny and he'd listen to what I had to say.

He was a great guy and always just a solid for my family growing up and my parents later in life.

You will be missed Uncle Frank - Love ya.

Mr. Raschiatore for many years and I also had the pleasure of
