“ Dear Nicole and Kierstin, and family,
We are deeply sorry about your Dad. He was a special person and an important part of our family. His light and love will always be with you. Hold on to every moment you had with him. Today there are tears. In time those memories will make you smile. Because he is with you every time you think of him. And in everything you do. We are here for you. Only a phone call away.
With love and prayers,
Uncle Chuck and Aunt Lori

Nicole...it's Liz, Katessa's mom. First....He loved you girls with every ounce of his being, you could see it in him when he talked about you ladies. Maybe it will never get easier missing him, and that's ok. Maybe time will make you miss him more with milestones he will miss, that's ok too. Your dad was a truly genuine guy...all around good person, and he will live thru you ladies and you both will make him proud. I am so very sad for you and sorry for your loss. I am sorry I couldn't be there to hug you and tell you in person, but may you find peace in time.

“ I was fortunate enough to know Frankie from his days as a student athlete playing on teams I coached at Plum HS. He was a selfless athlete who helped to turn our program around. He was a dedicated assistant coach, and became an outstanding Head Coach. In addition, he was a dedicated and loving father. All who knew him, are better for that fact. RIP my friend.

“ To Franks family...please accept the Nonnenberg's heartfelt condolences on your tragic loss. Frank was loved and adored by so many. He gave so much to the young men he coached. I was fortunate enough to watch him in action for several years. He was absolutely awesome! Frank was always so humble and had an infectious laugh that could make you laugh...even if you had no idea what he was laughing at. I will miss that and i will miss him. Until we meet again...

“ Frank is one of the most caring men I've known. He loved the boys he supported and took care in the job he did. When I told my son said 'he just cared so much, not fair'. I just that says it all.

“ My thoughts and prayers are with Frank's family during this difficult time. He was so very proud of his girls and spoke of them often in the couple of years I worked with Frank. He lived his life for his daughters. Truly an amazingly kind, compassionate, and down to earth man who could connect to so many people. It was a blessing to know him and be his friend.

“ To the family of Coach Frank Sacco,
My condolences to the Sacco family. You will continue to be in my
thoughts and prayers.
Coach Sacco was one of my favorite football coaches of all time. I
have always thought very highly of him and am glad that I got the
chance to know him. Just a few years ago I saw him at the
Pittsburgh Mills. He came up to me and asked me how everything
was going. I explained to him how I actually grew up (just a little)
since high school and had just adopted Dalton, my 13 year old son
at the time. Coach was eager to hear about my life, as he truly was
a caring person. Rest In Peace, Coach Sacco! Until we meet again.
