“ I had the amazing pleasure of working with Gary at Boise Cascade for many years in Pittsburgh.

I managed the business from every aspect and Gary was a mainstay in our growth, development and success which was monumental.

Only today did I hear of his passing which has devastated me.

I can honestly state that in all my 40 plus years in business and leading organizations and sales the he/Gary was the VERY BEST of all time that I've ever seen.

I'm speaking of thousand of Sales people.

May God rest your soul Gary as I will always be in your heart and soul as will you be in mine.

“ Gary mentored me when I was as a sales rep in training at Boise in the late 90's. His influence still resonates with me 25 years later. He was an exceptional soul. I am sorry for your loss.

“ I worked with Gary at Boise Cascade in Pittsburgh and found him to be a real gentleman. He and I played golf at Greensburg Country Club on a few occasions, he was a far better golfer than I was at that time and he was very patient the memory bring a smile to my face. May he rest in peace 🙏 I am sorry for your families loss!
