“ *Heather my heart hurts for you. You will be missed by so many. No matter what your story was, it wasn't supposed to end this early. You were such a beautiful girl with such a sweet personality. You used to sit next to me in computer science. I don't think I ever heard you say anything bad about anyone. I'm pretty sure you were friends with just about everyone no matter who they were or what clique they were in. I still have your senior picture after all this time and I will cherish it forever! I will pray for you and your family. May you find peace in this next chapter of your life.*

We had some fun work days and enjoyed some good laughs and I will always remember how sweet and kind she was with me.
