“ I was blessed to be Helen's nurse the past few months and will be forever grateful to have met and shared some time with her. She was my favorite patient to go see. Sending lots of love and hugs to Pat and Ray and hoping that happy memories will help to provide some comfort in the future.

“ We are so sorry to hear that Helen has died. I remember Helen coming to O'Neill family parties after midnight Mass on Christmases and more recently visiting at her home with family. Our hearts go out to Pat (and Bob) and Ray (and Debby) and all who loved her. It is a loss but we will remember her as one of the "Greatest Generation" and hope all will be comforted by memories of her through the years. Mary Anne and Brian Knapp
