MG

“ *Such fond memories. She fed johhny and I hot dogs for breakfast then kennywood where we threw them up after trying the Rotor as second graders. She was a tremendous baker. She remained beautiful as she aged. Last funny story. A visiting priest from sr Vincent spoke with a French accent. I asked Helen if she enjoyed listening to him. She said she didn't know where he was from, but it was not French. It turns out he was from her region. You all have my deepest sympathies*
