

James W. "Red" Bronder

July 24, 2021

James W. "Red" Bronder, 76, of Monroeville, passed away peacefully on Saturday July 24, 2021. He was born May 19th, 1945, in Pittsburgh, a son of the late Charles and Florine (Scanlan) Bronder. Retired from Bechtel / Westinghouse, Red worked as a mechanical engineer for 30+ years, helping keep the Nuclear Navy operating, safe, and at-the-ready. Red enjoyed his retirement, watching his beloved Steelers, westerns, and spending as much time with his two boys as he could. Red was the loving father of Beau (Sara) and Jay (Hellen). He was also the cherished grandfather of Henok, who Red was able to enjoy spending time with before his passing. Red is also survived by his two brothers, Michael (Ruth), and Rick. Red was an active member of St. Bernadette Catholic Church, and found solace in his strong faith. There will be no visitation. A private mass will be held at Christ the Divine Shepherd Parish at St Bernadette Church. Arrangements entrusted to the GENE H. CORL FUNERAL CHAPEL INC. AND CREMATION SERVICES OF MONROEVILLE, 4335 Northern Pike (412-372-2100). In lieu of flowers, please give your son or father a hug and tell them you love them.

“ *I've known and loved Jim, my entire life. He preceded me in birth by 20 months and he assumed the position of protector, tutor (he was much brighter than me) confidant, and most importantly, friend. I could write a book about growing up with a brother who was seriously bigger than life and capable of anything for a laugh. I am certain he is safe at home in heaven, free of pain, sipping a diet coke and playing bridge with Mom and Dad!*

“ I don't know why this is sticking in my head right now but about 20 years ago or so a bunch of my friends and my brothers friends and our dad went to a Pirates game and for some reason they put the fan cam on us and my dad was standing up and dancing, he was like kung fu fighting dancing, having a blast. Makes me smile.
