“ I can remember Janeen from the time she was young and became ill yet she had hopes of meeting the man she would one day marry...and she did!! She was such a pleasant person to be with. I was just talking about her last month and remembering her and I driving to Harrisburg together for a teen convention. Jeneen will be missed by many. God hold her in your arms because Jeneen is one special lady!! 🙏

“ I loved Janeen she was always hugging me, making Me laughing. The first time we came to discovery she greeted me I told her I am shy till I get to know you she said stick with me girl you won't be with me. And I knew right away I loved her, and her smile was so contagious, she was strong. I used to tell her she is strong she is invincible she is JANEEN! My darling now you are pain free, and heaven got another angel, hugs till I see you again.
