“ Jeff was my baby brother. We were so close when we were young. I will miss his sarcastic wit and his ability to do anything. I know he is at peace now. I love you, Jeff.

“ I remember working with Jeff as if it were yesterday. He taught me a lot about the people and the equipment at Business Alternatives. I will never forget the time I went to his house when he was having a difficult time. Jeff and I shared many evenings together usually at Pug's or somewhere close by after work. Godspeed brother!
