“ I will miss seeing Jennifer and her Mom at the Byzantine Catholic church fair every June. When I saw her this past June, she and I were both hoping to win a Chinese auction basket. She was hoping to win something for one of her nephews/nieces which to me was an indication of her great love for her family. She always had a smile on her face. My sincere sympathy to all of her family.

“ I have not seen Jennifer in some time, but there is hardly a week that goes by that I am not somehow reminded of her grace and beauty. She made my short time in Pittsburgh fun, exciting, and educational all at the same time. I was honored to work beside her in the molecular lab and saw her passion and dedication daily. I will miss this special friend so very much. My condolences and prayers are with the Repas family.

“ I am so sorry for your loss; Jennifer was a great friend and co-worker and it was an honor to be both to her. I know how much she loved all of you. If there's anything at all I can do for you don't hesitate to ask.
