“ I was so very saddened to hear of Jill’s passing. She was a very remarkable and very talented woman. She exuded such warmth and kindness to every one she met. I worked with her at National City Bank. With her sense of humor, she made the work day a little more enjoyable. She kept us all happy. I will never forget her. We lost a truly amazing woman. All my sympathy.

“ Words cannot begin to express my sadness at the loss of my best friend from high school. Jill was truly one in a million. Her wit and sense of humor were a magnet for others. She brought so much joy and laughter to the world. Though distance physically separated us for over 30 years, we remained close. One of the best parts of visiting home was spending time with Jill. I cherish all the memories I shared with Jill from high school and beyond.
