“ John was my first Supervisor at Duquesne light company. I remember the first time he called me into his office. Confused at 20 years old I thought I had made a big mistake. John quickly told me to sit down and knowing I was a Christian he asked me how's your faith? From that point on He and I would take a minute to check on each other and I appreciated how he connected with me. Rest in peace John I hope you are at the door when I get there. Would be no greater peace than having you greet me and welcome me in.

“ Dear Matoney Family,

I was so sorry to hear about the loss of your father. I remember such wonderful times during my college years with your family after church on Sundays. No matter how many of us came, you welcomed us with open arms and fed us all. The one thing I remember most was that when I entered your house it always felt like love.

You are in my thoughts and prayers.
