“ I worked with John at Sam's Club. I honestly can say it was an honor to work with him, he could out work anyone and never complained. Rest easy John... ....

“ I remember Mr. Testa from my youngest years.
He was one of my baseball coaches when I was young. He used to pitch batting practice to us. He was always encouraging and patient. He always took the time to help us young kids get better.
John was a kind man and always found time to teach us when we were young.
Your will be truly missed, John.
Sending prayers to you and your family.
