

John T. Volosin II

April 5, 2026

John Thomas Volosin II, of Monroeville, PA, passed away unexpectedly in his sleep on Sunday, April 5, 2026. He was born on August 1, 1957, in Pittsburgh PA to John Thomas and Elizabeth Irene (Puchalik) Volosin. John graduated from Gateway High School in 1975 and not long after, bought his home in Monroeville, where eventually he and his wife raised their family. He was a God loving man and was a proud member of North American Martyrs and St. Bernadette, where he served in the bell choir and taught CCD. He loved camping with his family and the Boy Scouts of America growing up and loved to put on his dancing shoes. He was a hard worker and a loyal friend, who could grill anything to perfection. He was a master diagnostic technician that achieved the “Circle of Excellence” status in typewriter and word processor repair. John was an active member of the American Legion Post 980 in Plum and the Italian American Club in Export. John loved to golf any chance he could, even more so since retiring, and enjoyed having a cold drink at the 19th hole afterwards. He always believed a bad round of golf should be followed by a good round of beers, which he was never afraid to buy. He loved to watch all sports, the stock market, and to listen to music; especially if it was live in concert. He was adept at finding the “Cinderella” team in the NCAA tournament and could find the gold and oil stocks that were on the rise.

John found a new love of traveling to fun, new places. One of his favorites places to go was Virginia Beach. He loved to wake up early and watch the sunrise over the shoreline and collect seashells before anyone else got up. He loved to “fight” the waves and swim in the pool. He enjoyed a good laugh and loved beyond words. He was always there for the people he loved and protected them fiercely. He was a wise man that would always give advice to anyone who came to him and will be dearly missed by all.

John is survived by his two sons, John Michael (Ashley) Volosin and Andrew Robert (fiancée Ashley) Volosin. His brother Stephen (Sharon) Volosin, sister Denise Myers, and his mother Elizabeth (Puchalik) Volosin. His two nieces Victoria (Jonathan) Sale and Lindsay (Tyler) DiBastiani and his great nephew, Matthew DiBastiani. He was preceded in death by his beloved wife Cathy Eileen (Starn) Volosin and his father John Thomas Volosin.

Family and friends will be received on Friday, April 10, 2026, from 3 to 8 pm, at the GENE

“ Oh my goodness! Where do I start. Grew up across the street from Johnny. Played softball with him as his dad yelled "long ball Johnny! " while listening to polka music on a transistor radio. Despite knowing him so long, spent more good times with him over the last 3 or 4 years. We made it an annual event getting a room at the Landing and watching the first weekend of March Madness at the Casino. I got mad anytime he didnt want to go to a game in town because he was so much fun! He was the escape artist. Would be at a show or event and at the end of the night would slip out the door without anyone knowing. Never forget being on a bus coming back from a Penguin hockey trip, everyone asleep and he yells, "lets get crazy!!" So grateful to have spent the weekend before he passed with him. Im heartbroken. I guess I thought he would live forever. Love ya buddy. See you in the next life.

“ My Cuz John was a hoot. Always in a good mood even if you were not. We were close growing up. Camping at Keystone, sleeping over with my other cousins Steven and Denise. I will never forget playing in my Aunts game room hiding in the cubby holes and of course the time he slept over hus Auntie Elaines house and at 7am screaming from the driveway GOOD MORNING PEOPLE!!! We laughed so hard. He truly was a fun person! You will be missed Johnny. Until we meet again

“ My name is Chrissy and I'm a bartender at the Italian American Club where almost every Wednesday John would come in and light up the room. He always made everyone including me laugh. He kept an eye on me and made sure I was ok. He will be greatly missed.

“ I remember back in 2012 my Dad, my brother John, and myself went to Virginia Beach and went Jet Skiing. My brother John got to ride by himself, but I had to share a jet ski with Dad, but I got to drive. Dad had said “Alright Andy, we don’t need to go full throttle now”, but I went full send and Dad is trying to hang on to me and push himself back in a good spot and I’m trying to hold onto the handles cause I’m getting pulled off cause Dad is holding on to me. So I keep pulling both of us back on the Jet Ski and when it was over and we’re heading to the car, Dad said “Guys we gotta slow down, my legs are like rubber from pushing up the jet ski and I turned around and said “YOU?! My arms are completely rubber from pulling us both back up!!” We all started laughing at how ridiculous Dad was walking the to car and that I couldn’t open the car door.

“ I have very fond memories of my cousin Johnny as I do Steven and Denise. We spent many holidays growing up together either in Monroeville or Springdale. My fondest memories were at Keystone State park on Sundays or camping at Uncle Toms trailer at the campground right next to the park.
You will be missed Johnny.

“ My brother, my best friend -taught me how to back a batter off the plate, how to roll a doobie, and introduced me to J Geils!
He showed me Wall Street week with Louis Ruckeyser, which my lovely wife grew to love. He took me into Pittsburgh to meet Ralph Acampora - the Godfather of technical analysis
Argued chevron vs Broadcom . He was a winner and gave me a winner on the way to heaven. His last text to me Saturday night was “UConn plus points “ thank you Johnny V
“Long ball Johnny” dad his coach, used to yell from the first base coaching box .

“ In the eternal words of encouragement from John's father when we played baseball (MBA) at the Hospital Grounds, he'd shout "Long ball Johnny, long ball"! And Vol would crush one or two into the weeds in right field!
