“ So sorry for our coach Erik and all of his family. He was a great soccer coach as I'm sure he was a great person in general. He definitely taught the kids to play with their hearts and have fun and how was to be a team. He will be missed by all.

“ I came to visit from Florida when I met Erik when I was dating Mike (husband) and constantly teasing me about my heavy accent plus telling everyone how I got here....he said, " by a banana boat sailed across the sea." At first, i said to myself..boy this guy is not nice then later on..I realized that's how Erik shows how he liked a person ..I learned to get along with Erik and hung out with the rest of the crew.. Make the story short he is alright...For me, Erik is Erik ! either you Love him or hate him...He will grow out of you eventually..he will be missed. condolences to the family and specially to his wonderful kids and wife.
