“ Joyce was always the sweetest person and I remember fondly whenever she came and visited Grandma and Grandpa in San Pedro during the summer. It was always a great time to have all of the families together. She will be remembered and loved always.

“ Joyce and her brother Doug have 6 cousins, on their mother's side of the family, who lived on the west coast in California. Joyce and Doug lived on the east coast, Their father worked for Union Pacific Railroad and periodically the Firmin family would take the train to California for their vacation. The 8 cousins, 3 girls and 5 boys, had a wonderful time together and these trips were always a high point in our family life. The visit always ended much too soon and the next visit was looked forward to with great anticipation.

“ Bobbie and I will always remember how you and Mike opened your house and hearts for us to stay the night on a trip to Chicago we made a few years ago. We really enjoyed sitting around the table talking and reminiscing about Elkridge Baptist Church and fellow saints. We will miss you. Love in Christ, John and Bobbie Classen
