“ As I read the paper today, I saw where Karen passed. I met Karen when the kids were in Moss Side Middle School. We did a lot together in the PTO. She was always volunteering and was a joy to be around. I last saw Karen at graduation she was so proud to see Andrew graduate. She loved her kids very much. I will miss her contagious laugh and inviting smile. Bonnie Crone

“ To the Clemente and Urmacher families, I am so terribly saddened to read of your tragic loss of Karen. I got to know her through my friendship with Kathy in high school and my fondest memories are of Karen giving me "perms". She was someone whose laughter and spirit permeated a room and it was truly contagious! May love and peace enter your hearts as you remember Karen. Renee Liberoni

“ Andrew, Drew and Aaren-I am so sorry for your loss. Your mom was a special person. She was the one you wanted to sit by at any gathering or get together because she was so full of life and easy to talk to. She loved you both very, very much (Drew and Aaren) and when we would talk as neighbors you could feel the love she had for her family. She will always be remembered as a special, strong woman I am happy I got to know in life.

“ Dear Karen Your passing has left a large unfilled space in our hearts. This space will never be filled until we are with you. We take solace in the words Jesus said on the night before he died. "Do not let your hearts be troubled. You have faith in God; have faith also in me. In my Father's house there are many dwelling places... If I go and prepare a place for you, I will come back again and take YOU to myself, so that where I am you also may be.. Peace I leave with you, My peace I give to you.. Do not let your hearts be troubled or afraid. We are sure Gram and Dom are there watching over you. Till we are all together... We Love You... Mom and Dad

“ Karen was my mom's hairdresser at East Boro Apartments. One morning she came to do my mom's hair, and noticed that my mom's face looked distorted. She said "Vera, something isn't right with you. I'm taking you to the hospital." Turns out that my mom had suffered a stroke sometime during the night or that morning and was disoriented. Karen stayed with my mom at the hospital until a family member came. If Karen had not gone to my mom's apartment that morning, things could have turned out very badly. My family and I believe she saved my mom's life. I met Karen several times while visiting my mom from out of town. She was always so friendly and outgoing, and was a wonderful, loving friend to my mom. She will be missed. Karen's heart was as big as her voice. Sincere sympathy to her family and friends.
