“ When I first learned of Keith's passing, I was deeply saddened. I had the pleasure of knowing and working with Keith at the VA. Although Keith was a very quiet and private person, as his supervisor I was able to meet with Keith on several occasions where he expressed his love of his family. He talked fondly of his parents and sister. Keith expressed to me that he really liked his job in medical records. He was an excellent employee and a wonderful person. I still think of him a lot and pray for Keith and his family.

“ Kiet was a kind, sweet soul I enjoyed talking to at family gatherings.

*I cannot imagine your heartache. He will always be in your hearts and minds.*

*Find strength and comfort in each and other and all who knew and loved Kiet.*

*God sleep on your pillow and give you His love and grace.*

“ Everyone should aspire to be like a Keith. The world would be a kinder, gentler, more compassionate and beautiful place in which to live. He lived and shared those rare qualities everyday with everyone. To meet Keith and call him a friend was an honor and a privilege and I am richer for that experience. May your Memory be Eternal my Dear Friend and Peace be yours. May the kindness you gave to everyone cradle you in loving arms now and for all time.
