“ So very sorry to hear of Kelly's passing. We'd lost touch after we moved from next door. I will remember Kelly as an excellent cook, wonderful PTA president. I hope you all have peace and comfort in this time of transition.

“ Kelly was like a second daughter to Donna and I. We only enjoyed her company on our annual visits to Hilton Head South Carolina, however they are filled with fond memories. She was a very warm and friendly person who will be missed and thought of for a long time to come. We pray for her family and friends in this time of sadness..

“ Ryan,

*I'm so sorry. You're mom means the world to me.  
I wish I could of been there more for you during this difficult time.  
But know this, every single time that I saw or even talked to her you  
would be the subject and her face glowed!  
She is so proud of you. She will always be there for you.  
May She rest in peace.*
