

Kimberly (Miller) Andonizio

February 20, 2024

Kimberly M. Andonizio, 47, of Monroeville, was called to heaven suddenly on Tuesday, February 20th, 2024.

She is survived by her three beautiful children Austin, Madison, and Kendall along with their father Michael Andonizio, parents Larry and Carol Miller of Monroeville, sister Laura (Miller) Vasilakos and brother in-law Nik Vasilakos of Massachusetts, two cats Neoma and Samoa, along with many other aunts, uncles, cousins, friends, and extended family.

Born in Pittsburgh on November 9, 1976, Kim always brought smiles and laughter anywhere she went. Anyone that knew her would agree her favorite place was the kitchen. New recipes were always being zhuzh up, especially homemade meatballs.

Kimberly enjoyed taking walks and capturing nature photographs on the Westmoreland heritage trail. She loved camping or “glamping”, as she called it jokingly, with anyone that would take a road trip to make some mountain pies.

Kim treasured her family and loved being a mother, devoting her energy to her three children who would be home for holidays, special occasions, or just to get some of momma’s home cooked meals.

Kimmie, as she referred to by her close friends and family, was a passionate

person that loved to be surrounded by people, whether in person or on Facebook, sharing her thoughts and recipes that she would zhuzh up with what she had in the kitchen, posting photos on “Love, Laugh, Cook”.

She loved all things fall from pumpkins, to cool weather, Halloween and fall colors. Kim loved decorating for all seasons, especially winter with her extensive snowman collection that was always on display. She loved music, from country, to “bubblegum” R&B music, to Jennifer Nettles (her favorite). Kimmie loved a good party and having fun, playing oldies with Dad or singing Tennessee Whiskey duet with anyone that would join her. A hopeless romantic, watching reruns of sappy love stories – how many times did she watch “The Notebook” or Greys Anatomy or flicks from the 80s?

Finally rekindling her relationship with her first boyfriend before her sudden passing, Kim was able to find happiness which is a beautiful testament to the resilience of human connections.

Throughout her life, she worked in food service, spending many years at Max & Erma’s serving good food and a friendly smile that also came with extra gummy worms and chicken tortilla soup for her kids. Kim also made a few stops along the way at the American Café and Coast and Main, then at UPMC.

Friends will be received on Monday, February 26, 2024, from 2-9 p.m. at the GENE H. CORL FUNERAL CHAPEL INC. AND CREMATION SERVICES OF MONROEVILLE, 4335 Northern Pike (412-372-2100), and where a funeral service will be held on Tuesday, February 27th at 11 a.m.

Interment will be private.

Please continue to keep Kimberly’s caring, loving, and enthusiastic memory alive.

In lieu of flowers, contributions can be made to help Kimberly's three children with college and other expenses during this time at <https://gofund.me/2d36b96>

“ *I met you in junior high. Though we didn't hang out in the same group of friends, we did get to know one another better working at Kenny Roger's Roasters in high school. Little did we know years later we would connect again even more as our daughters became close friends. Between your house, our house, and the Dawson's house, we could usually find our children or some combination of our children. Every big event in their young lives, we shared as proud moms including Corey and Madison going off to Edinboro. I feel our three families intertwined through these wonderful, beautiful children and you being gone leaves a gap, a hole that is very hard to process. We will go on with memories and will be here for all the kids, forever. Rest easy.*

“ Mom, I love you so much and will miss your amazing home cooked meals after I would cut the grass or just coming over to visit. You were always there for me when I needed it and encouraged me to be the best son, brother, grandson, and person. I will always be momma’s boy and your first born. I love you more than anything in the world.

“ Kimberly, our lives were connected for almost twenty years as our kids spent countless hours together growing up. I’ll never forget those days and I’ll think of you often especially in the fall because I know how much you loved the “ber” months. Rest in peace.

“ Kimmie,
It's impossible to sum up 35 years of friendship in a paragraph, but here is what I know. I know you loved your children more than anything in this world. I know you loved your family and friends. If there is one thing about you it's that you loved hard and strong with your giant heart. I'm going to cherish all our memories forever. I had a hard time choosing photos but tried to only add some of my favorites. I miss you friend. 💔

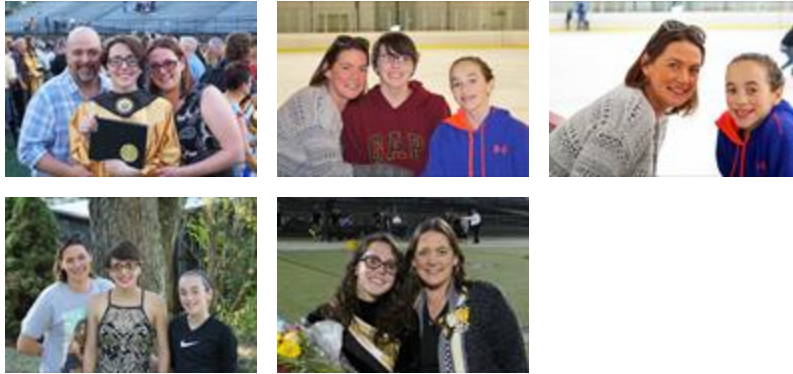

*Love always,
Lynn*

“ Kim, we are heartbroken. We raised some wonderful children together and I enjoyed our time together. We will miss you. You always critiqued my pictures ❤️, but I think I managed to capture some shots that show how much you loved your family.

“ Kimmie had a honest to goodness one of a kind personality. Her smile and laugh filled the room! I'll never forget her. We had a running joke because after I found out I was pregnant with my third child, she teased me and said, "haven't you figured out what's causing that yet? Hahaha I said, you know what they say about karma! She laughed then came up to me not long after that and said guess what, I'm pregnant! We laughed. I got pregnant with my 4th and she got pregnant with her third...she didn't tease me again! Kim your vivacious and whimsical personality will forever be present in my heart and soul. I'm blessed to be able to call you friend. Love, Apryl
