“ *Dear Tom, John, and Jim...I just learned about your mother's death. She was my cousin. I remember staying over with Aunt Helen, Uncle Fre, and Lael up in Lael's room, watching in wonder as she set her hair with bobby pins. She was a teenager and I thought she was so glamorous. One time she fell asleep with only one side of her hair in bobby pins, and Aunt Helen made her go to school anyhow...one side of her hair straight and one side curly. The whole family got a good laugh out of that mishap. I wish I had kept in contact with Lael, and in my heart I will remember and miss her. Lael's cousin Clare Hendra, Oakham, MA.*
