“ So sorry to see Lance's obituary in the York Dispatch. It's been a few years since we have seen each other. Always enjoyed spending time with him. His sense of humor always surfaced in our Cub Scouts exploits, golf outings, baseball games and other adventures which many times involved our sons, Chris and Andy. Lance always impressed me with his athletic ability. His story about his high school basketball experience of guarding John Thompson, a basketball legend, I still remember. I was so lucky to have known Lance.

“ So sorry to hear about Lance. I met Lance on the Rabbit Express bus riding to work from York to Harrisburg. It was fun listening to his stories of his life journeys of the places he worked and traveled and stories of his basketball days. I looked forward to talking with him each day and missed seeing him upon his retirement. Prayers for the family.
