“ *Enjoyed his frequent visits to our office in Savannah. I remember that beard. He went for the full Monty, not trimming around the neck! He said if you were going to grow it you needed to go all out. Great guy. I know he will be missed by his family. My condolences to the family especially my partner Tim. I know is is hard now but you have some great memories that will always be there. All of our love and prayers to you and your family.*
