“ Dear sweet cousin Linda...may you fly with the angels and rest in the arms of our Lord! I will never forget you. I am grateful that I reunited with you on Facebook after so many years. To Jeff, Pat, Michael and families: What a treasure your mom was. When I was a kid, I loved it when my family got together with the three "Moody sisters!" Always fun...always laughing...always hugging and always love. I know you will miss her and her legacy will live on in your hearts. She loved her boys. Tooty: My heart breaks for you too. I know how close you were to Linda. I know you will miss her so much. xxooxxooxxoo always. I wish I could be there for you guys. Love you all.

“ I am going to miss this wonderful lady so much! I always made a special trip to her house on Halloween when my daughter was younger just so I could see her. Had the pleasure of working with her in dietary for a few years. Always a kind word and a smile, never a complaint. RWG Linda, we will all miss you!

“ This is very hard, Linda was the heart and soul of Forbes dietary, I meant her many years ago, she always brought a smile to my face knowing that she was going to be there that night. Every Christmas she would bring me my very own little box of her thumbprint cookies, they were the best. Her laughter was contiguous. So listen closely you can still hear it. Linda you will be missed so very much, you touch lives you didn't even know you did. You are one in a million. My thoughts and prayers are with you Jeff and the entire family.

“ *My sympathy goes out to your family; Linda was one of the greatest people I have ever known. I worked with her at Forbes and she never failed to bring a smile to my face. She gave me strength when my sister-in-law was fighting breast cancer by telling how she beat it years ago. She made me laugh so hard telling me how she had to call the insurance company to first tell them she had melted one her prosthetics and then when she had to call again when her dog chewed one up.*

*My thoughts and prayers are with you,
