“ We are very sad to hear of Louise passing. One of my favorite memories was when I was visiting Clay during our college summer break during my birthday and "Grama" made me a cake, they sang me happy birthday and really made me feel at home. It was also very enjoyable to see her at our wedding more recently. She was a wonderful person and she will truly be missed. We will not be able to attend the services, but please accept our most sincere condolences. Gianfranco & Kristen Ore
