

Mark Andrew Heidenreich

June 30, 2021

Mark Andrew Heidenreich, 59, of Leechburg, PA passed away suddenly on June 30th, 2021. Mark was born August 28, 1961 in Pittsburgh, PA to the late Chris and Doris Heidenreich. He grew up in Monroeville, PA with his three brothers John, Chris, and David. He spent much of his childhood either on the ice as a successful hockey player or running through the woods of the Foxwood neighborhood where he grew up. After his hockey playing days, he transitioned to the aeronautics industry where he became a mechanic for US Airways and American Airlines for the past 32 years where he built many lifelong friendships. He is survived by his wife Christine Heidenreich, two children, Andrew (Sara) and Lindsae Heidenreich, and two stepdaughters, Kacie McElhaney and Britney McElhaney. He was a loving "Pap" to seven grandchildren who always came home with a smile on their face and a little more dirt on their clothes after a day spent with him. You would often find him on the stream, by a trail, or standing around a campfire with friends and family enjoying the outdoors. He loved helping people and would give the shirt off his back to anyone in need. His boisterous voice will live on with anyone that knew him and will never be forgotten. Visitation will be held at the GENE H. CORL FUNERAL CHAPEL INC. AND CREMATION SERVICES OF MONROEVILLE, 4335 Northern Pike (412-372-2100) on Tuesday July 6, 2021 from 2-4 PM and 6-8 PM with a brief service following. In lieu of flowers the family has asked that a donation be given to the Allegheny Presbyterian Church at 1900 Rt. 356 Leechburg, PA 15656 in his name. To leave

“*Fearless. That’s what I remember about Mark. I knew Mark for only about 5 years in the early 70s when I lived across the street, but during that time there were endless hours of driveway hockey, hiking through the woods, and playing football – and Mark showed enthusiasm and fearlessness that I have no doubt he carried with him in his adult life. I remember Mark telling me once that while I might be able run faster up a wooded hill (not sure about that, but thanks), there was no one who could go downhill faster than he could. And I believe it was true. Mark could hurtle himself down the steepest overgrown hillside, bouncing unpredictably, but always ending right-side up. And after all the hours of driveway hockey, it brings a smile to my face to find out from the comments here that Mark turned into an excellent hockey player – not to mention an excellent human being.*

I hope someone is still reading this page a year later.

Chip, Chris (& David, although you won’t remember me) and families – please accept my sincere condolences.

Best regards,

Mike Kennedy

I had the honor of attending Mark and Chrissy’s wedding and I’m still telling my friends that was one of the best weddings I have ever attended. I went to school with Mark since I was a young at Mosside Elementary School and rode the bus with him every day up through high school. I was his neighbor along with the Kennedy's, Welch's and Shellhammer's. Mark was always so nice and although I wasn't as close to Mark as the other neighbors, we all had a mutual respect and bond with each other. So sorry that I just saw this memory album but my heart is with his family and I offer my sincere condolences. God Bless

“ I truly loved him. I sat with him every day at work in the lunchroom where we shared our food and what was going on in our lives. He was a good listener as if he was always looking for a way in which he could help.and you know he was listening because it would be days or even weeks later that he would text me or call and say.do you remember that day you was talking about that project you was working on.well I got a friend that has what you were looking for or I saw what you was looking for at so and so.I'm going to miss my friend.ps.
