“ Sorry to have just read in *Shield and Diamond* about Twig's passing. We crossed paths in the fraternity for only one year, but my memory to this day recalls him as quite the character and one of a handful of individuals that led to my decision to join the fraternity and become his brother. My prayers and sincere condolences to his family.

“ I am so sorry to just learn of the passing of "Twig". He was a pivotal "character" in my college life and, whether he know it or not, was a guiding force of change that started me on the journey to become the person I am today. For this, I am beyond grateful and offer my deepest condolences to his family.

“ Shared a 3 year water front experience with Mark. The camp was better for his efforts. Lanky and cool was his demeanor. Always reminded me of famed sports announcer, Bob Prince. Now we kiss you Goodbye old soul.

“ *"Twig" was a wonderful guy, and I'm so sorry to learn of his premature passing. While I've only seen him occasionally since our days at Pitt, we were regulars on the basketball court in the driveway of the PIKA house at 220 North Bellefield and at Trees Hall, and I have many great memories of the time we spent together. My sincere sympathy to his family. We are all fortunate to have had Twig in our lives.*

“ We got to know Mark and his family when we moved into the neighborhood. Mark always gave back to the community from mentoring scouts, to coaching baseball and basketball, to helping senior citizens and young adults with their tax returns, and helping neighbors with anything. We could always count on Mark. He was unselfish and everything he did was done for all the kids, not just his own. Like when he was able to, as he put it, “negotiate a favorable rent amount,” for a vacant gym he somehow found for us to use for basketball. Mark was one in a million. Rest easy my friend. We will be saving a spot by the fire for you.

“ There are so many great memories with Mark during our day's at Pitt. He always had a smile and a pithy response to friends. I remember him telling me that he couldn't come to my wedding because it was the same day as the Preakness- What was I thinking!

“ I knew Mark from elementary school thru high school then Pitt. He was a very nice individual and love everyone. I also remember him from scouts. He was a mentor even though I did not progress to eagle. He will be missed. Condolences to his family.
