“ Saddened to learn of Mark's recent passing. I enjoyed working with Mark at AdTranz and Mitsubishi on our mass transit rail projects. For several years I had an office next to Mark's while we were working in West Mifflin. You could always count on Mark making loud and humorous "proclamations" about work, people, or sports. RIP Mark.....you sure earned it.

“ My sincere condolences for the loss of a great guy. I often think of his overwhelming joy at his hole-in-one. It was also when he had his first pair of real golf shoes (which gave him fits as the metal spikes made him slip). Ironically his shot came the year after, on the same hole, he won The Levitsky trophy for the worst shot.

Great memories of a great guy.

Mark was a friend of mine when we went to Pitt. He was a great man and I was so so sad to hear of his passing. What many might not know is that in the spring of 1973 mark walked on at Pitt as a tight end and was running second team when he decided to cut it short as he decided his studies were more important. Rest easy ols friend.
