“ mark you gave me so many memories to look back on during our friendship. From that first phone call from Crume telling me we had to hire you to our adventure to Cleveland to get food from US Foods. To the jokes about you only leaving PA to go to that state between the toll booths. To the hallway and our shopping adventures at Stew Leonard's. We had quite the adventures together and made a great friendship along the way. I have you to thank for introducing me to Darci and will always be grateful for that. You were more than a friend you were like a brother to me and I will miss you. You will always have a special place in my heart and the hearts of my family. Until we see each other again. Love you Ridge.

“ *Mark was my favorite manager at Applebees. He was the favorite to everyone he worked with. His nonfiltered sense of humor made him exactly how he was, himself. I'll never forget how accepting he was of my girlfriend and I. His laughs will be missed*

“ *We will never forget that wonderful get-together at Kennywood Park several years ago. Mark was reluctant to join his cousins on the Black,Widow ride but admitted afterward that the ride was a lot of fun. It was the perfect family reunion that will be forever etched in our memories. Until we meet again, dear nephew. Uncle Bob and Aunt Lorraine.*
