

Mary Bowen

November 22, 2012

Age 65, of Aguanga, CA., passed away in Pittsburgh on Thursday, November 22, 2012. The family will be having a private service in California.

Mary Jane Bowen was my beautiful mother. She began her valiant fight against the deadly cancer that took her life here in Pittsburgh in July of 2011. Somehow it not only seems appropriate that the battle ended here, it is somehow very peaceful that we have come full circle. She was cared for by the best in talent and spirit and loved by all who met her. She passed with all of the grace, beauty and class that she lived her life with on a daily basis. To the many, many who have showed kindness, or helped us along our journey and yes, the angels here, you know who you are, we express our most heartfelt and eternal gratitude to each and every one of you. Thank you for the comfort, dignity and honor that she was given on her way to meet our Lord and Savior, Jesus Christ.

For My Mother, Tina Dimmitt and my Hero, her devoted husband, C. Ron Bowen
