“ Jaycee, Jamie and Jeff,

Please keep in touch with me and call me anytime at all. I think your mom would really like to know her friends are looking out for her kids. She loved you guys more than life. Even through the times when you weren't talking, she just kept on loving you and praying for you. She had faith it would get better and it did. You 3 and the kids were her heart. It's all she talked about. Remember, she's still with you and still loves you. But now she's in perfect form and free from pain and with God. We'll see her again....

“ I have known Mary a very long time. She was a great neighbor when we lived across the street from each other in Delmont. She was always fun and willing to take chances. She pushed herself when she wasn't feeling good to take care of her children and Frank. We had a lot of good times together going to concerts, plays and just hanging out. I am so sad that she has had such a hard time these past few years and hope she is pain free and in heaven. My condolences to Jamie, Jayce, Jeff and Frank. I hope you all remember the good times to lighten your hearts.
Our love is with you all

“ In the picture of the kids wearing birthday hats, Mary is standing up in the 1st row, far left, with the big curls and yellow dress. I'm on of twins sitting on the ground. My sister Laura and I were childhood friends with Mary and lived only 1 street apart on the hill in Pitcairn. Mary was very shy and sweet and we played together a lot. She didn't have a mean bone in her body and appreciated every kindness she was shown. The last time we spoke was February. I never dreamed it would be the last. I sure would have made my last words to her more special. She deserved that. Bye Mary. I'll be seeing you. Love you dearly.

Your friend always,
Lynn Jeffery
